Personal Safety

Students are expected to behave in such a way as to not endanger themselves or place others at risk. For this reason, the following activities are strictly prohibited:

- Leaving items in hallways and/or stairwells
- Propping open exterior doors
- Throwing things out of windows
- Sitting on window ledges
- Entering roof areas
- Riding bicycles, rollerblades or skateboards within residence hall buildings
- Elevator Surfing

Students violating these restrictions as well as other activities deemed dangerous will be sanctioned. This may include dismissal from University housing without release from the full financial obligation to housing fees as identified in the housing contract.
