Ole Miss Express Voucher

Summary/Purpose: Ole Miss Express Voucher for pending financial aid

Students may request an express voucher to help cover educational expenses if disbursement of financial aid is pending for the term. The pending aid must be in excess of all University charges.

Students who have been selected for Verification and have submitted all of the required documentation may be eligible for the voucher. This would allow them to purchase books and/or meals.

An Ole Miss Express Voucher cannot be processed for:

1. Mississippi state grants (such as MTAG, MESG, William Winter, Critical Needs, or HELP) that have not been authorized by the state office in Jackson for awarding purposes.

2. Outside scholarships. These awards will process when the funds are received by the school.

3. Perkins loan funds. Once all requirements are complete for these loans, standard disbursement should occur the next business day.

4. Non-federal private loans. Due to private loan regulations, lenders must provide the student with a 3 day rescission or “right-to-cancel” period after the final loan disclosure form is sent to the student. Unlike federal loans, these funds are not guaranteed until received by the school.

To be considered for a voucher, a student must complete an online form, which can be accessed from the Financial Aid Homepage, www.olemiss.edu/finaid/. The review process will begin the first class day of the term. Vouchers cannot exceed $600 for undergraduate students and $1000 for graduate/professional students.

The Office of Financial Aid will review all requests to ensure that students are eligible for their aid.
