Game Day Activities

Summary/Purpose: The purpose of this policy is to define the procedure for Game Day activities.

Game Day activities are coordinated by the Chancellor’s Office, by committee, chaired by the Vice Chancellor for Administration and Finance.

Use of the Grove and the Circle are restricted on game days to personal tailgating activities and official University of Mississippi activities. Tents that are not for official university activities and are erected within these spaces must be of a reasonable and appropriate size. Determining whether a tent is of a reasonable or appropriate size is solely at the discretion of the University. In general, tents that are 12 x 20 or smaller (this includes 9 x 9, 10 x 10, and 12 x 12) are reasonable and appropriate. If a tent is determined to be of an unacceptable size or is housing unacceptable activities, the owner or vendor will be asked to immediately reduce the size of the tent or remove it.

Only official University organizations may reserve space in the Grove on football weekends. All reservations must follow established procedures. Such reservations must be made by Thursday of the week of the game. The remaining area of the Grove will be referred to as an “Open Area.” It cannot be reserved and will be available on a first-come basis. Unreserved space in the “reserved area” will be open to the public on Saturday.

All tents that require stakes must be placed in the reserved area. Staked tents must either be erected or supervised by Facilities Management after confirming the reservation site with the Alumni Office. Tents that require stakes are NOT ALLOWED in the “Open Area” of the Grove.

No cars will be allowed in the Grove for any reason.
